

# RED EVENT ±risk assessment declaration form

Event details

Risk assessment completion

## Risk assessment verification

--

## Declaration

I declare that the responses on this form are accurate to the best of my knowledge, and I agree to submit risk assessments for the event if requested.

Print name & signature		Date	
------------------------	--	------	--

Please note: it is not necessary to submit your risk assessment with this declaration. However, the Royal Society of Chemistry may call-in risk assessments for audit either because of the responses to the questions on this form, because of previous incidents or on a random basis. The Royal Society of Chemistry reserves the right to withdraw support from events if they are not adequately risk assessed.
